New Singles Highlight Themes of Resilience and Personal Growth

- Living This Life explores themes of gratitude, purpose, and personal growth. Built around an energetic hip pop sound, the song encourages listeners to appreciate life's journey while remaining focused on progress and self-improvement.

- I Am Victory delivers a more powerful message centered on resilience and self-belief. Through its concert-style rap format, the single emphasizes determination, confidence, and the importance of overcoming obstacles in pursuit of success.

Together, the songs present complementary messages designed to inspire listeners to move

Music Influenced by Experience and New Orleans Traditions

Raised in New Orleans, Mentz developed an appreciation for music through exposure to the city's traditions of jazz, blues, gospel, soul, and rhythm-driven storytelling. Early training in trumpet and piano helped shape his creative foundation and continues to influence his work today. His music combines contemporary hip hop and rap influences with themes drawn from a lifetime dedicated to leadership, education, entrepreneurship, and personal development. The result is a distinctive style that seeks to entertain while delivering constructive and encouraging messages.

"Music has always been a powerful way to connect with people and share ideas that can inspire positive action," said Counselor George Mentz, Recording Artist and Creator. "With Living This Life and I Am Victory, I wanted to create songs that encourage listeners to stay focused on their goals, appreciate life's opportunities, and keep moving forward regardless of the challenges they face."

Continuing an Expanding Musical Catalog

The release of Living This Life and I Am Victory follows a productive year of music creation for Mentz. Earlier in 2026, he released Midnight Drive – Platinum Feel Good Album, a 27-track multi-genre project that showcased his diverse musical influences.

The two new hip hop singles are separate releases that further expand his growing catalog of original music. With Living This Life and I Am Victory, Mentz continues to explore music as a
