

Pest Patrol Pro Connects Homeowners and Businesses With Trusted Pest Control Services Nationwide

Pest Patrol Pro helps homeowners and businesses find licensed, affordable exterminators for ants, rodents, termites and bed bugs — free quotes nationwide.

NEW YORK, NY, UNITED STATES, June 23, 2026 /EINPresswire.com/ -- Pest Patrol Pro today announced the continued expansion of its pest control service, making it easier than ever for homeowners and businesses to connect with trusted, licensed and insured pest control companies and exterminators across the country. The expanded service covers residential pest control and commercial pest control, helping customers find affordable, same-day and emergency pest control treatment for virtually any infestation.

Pests are more than a nuisance — they can damage property, contaminate food, and create serious health risks for families, employees, and customers. Pest Patrol Pro was built to take the guesswork out of finding dependable help, connecting people with experienced, licensed pest control specialists who provide ant control, cockroach extermination, spider control, rodent control and mouse removal, wasp and hornet nest removal, termite inspection and termite treatment, bed bug treatment and bed bug removal, mosquito control, flea treatment, and wildlife removal.

"Most people only think about pest control when they already have a problem, and in that moment they need fast, trustworthy help — not a long search," said Garrett Maddox, Director at Pest Patrol Pro. "Our goal is to make that connection simple, so a homeowner or business owner can get a qualified, local pest control professional on the case quickly and get back to their life."

Through Pest Patrol Pro, customers can request a [free pest control quote](#) and be matched with top-rated pest control providers who offer thorough pest inspections, targeted treatments, and ongoing pest prevention and extermination plans tailored to each property. The service emphasizes prompt, same-day response, clear communication, and eco-friendly, pet-safe and family-safe pest control treatments.

From single-family homes and apartments to restaurants, offices, warehouses, and retail spaces, Pest Patrol Pro helps connect property owners with affordable exterminators and pest control near them. Whether the issue is a sudden infestation, a recurring problem, or a desire for year-round preventative pest control, Pest Patrol Pro aims to be the first and easiest stop for finding

reliable, professional pest control services.
