

Bestselling Novelist Jill Blocker Releases "Happily After Ever," a Globetrotting Love Story with International Appeal

Bestselling novelist Jill Blocker releases Happily After Ever, a contemporary, international love story spanning America and Europe.

NEW YORK CITY, NY, SWITZERLAND, June 24, 2026 /EINPresswire.com/ -- Internationally-

“

Blocker is appearing at numerous literary events throughout the U.S. and Europe for the novel's release.”

*Summer 2026 Book Tour,
Constellate Publishing*

acclaimed author Jill Blocker has released [Happily After Ever](#), a contemporary YA/New Adult crossover that combines romance, adventure, and self-discovery in a tale that unfolds across the American Midwest, the Pacific Northwest, and Europe.

When a young woman leaves everything behind to pursue a fairytale romance overseas, she discovers that the life she imagined may not be the one she's meant to live. Blending international settings with universal themes of

love, identity, and reinvention, *Happily After Ever* speaks to a generation redefining success, relationships, and belonging on its own terms.

The novel follows the success of Blocker's debut, *What Was Beautiful and Good*, an Amazon #1 bestselling historical novel set during World War I and the birth of the Dada art movement. Published in German translation and recognized in international literary competitions, the novel established Blocker as a distinctive voice in historically rich, emotionally resonant storytelling.

Together, Blocker's novels share a common thread: ambitious women navigating transformative journeys against richly realized international backdrops. Their blend of emotional depth, visual appeal, international settings, and cross-cultural themes offers strong potential for foreign-language publishing, film, and television adaptation.

Before turning to novel writing, Blocker worked as a journalist. Her reporting background informs her fiction through immersive world-building, meticulous research, and emotionally authentic storytelling.

Blocker is appearing at numerous literary events throughout the U.S. and Europe for the novel's release. Additional information is available through [Constellate Publishing](#).

Happily After Ever is now available for [pre-order](#) wherever books are sold.
