

Eunoia Medispa Launches Nordlys® Laser Treatments at New Morgan Hill Location

New South Bay medispa brings Candela's advanced IPL and fractional laser system to Morgan Hill and surrounding communities.

MORGAN HILL, CA, UNITED STATES, June 23, 2026 /EINPresswire.com/ --

[Eunoia Medispa](#), a luxury medical aesthetics practice now serving Morgan Hill and the South Bay, has announced the addition of the [Nordlys®](#) system by Candela at its newly opened Morgan Hill location at 16175 Monterey Rd, Suite D. The FDA-cleared platform delivers advanced IPL and fractional laser treatments for skin rejuvenation, pigmentation correction, redness reduction and more, with minimal downtime.

Eunoia Medispa Provider Team - Morgan Hill, CA

Developed by Candela, a global leader in aesthetic medical devices, the Nordlys® system features Selective Waveband Technology (SWT®) IPL and non-ablative fractional lasers at 1550 nm and 1940 nm. The combination allows providers to treat a broad range of skin concerns with precision and speed, often in a single visit. Eunoia Medispa's signature offering, [the Light and Bright Protocol](#), pairs SWT® IPL with fractional laser technology to address excess pigmentation, uneven tone, redness and early signs of aging.

“

"The Nordlys system allows us to treat a wide range of skin concerns with precision, comfort and very little downtime, which is what our patients' lives actually call for."

Shaminder Gill, PA-C

"We opened the Morgan Hill location because we wanted to bring clinical-grade treatments to patients in the South

Bay who didn't have convenient access to this level of care," said Shaminder Gill, PA-C, founder and provider at Eunoia Medispa. "The Nordlys® system allows us to treat a wide range of skin concerns with precision, comfort and very little downtime, which is what our patients' lives actually call for."

The Nordlys® system is designed to address brown spots and sun damage, redness and broken capillaries, rosacea and facial flushing, uneven skin tone and texture, fine lines and vascular lesions. Treatments are customized to each patient's skin condition and goals. The Light and Bright Protocol is available as a series of three sessions at \$1,500 per session.

Featured on NBC's Today Show and trusted by leading dermatologists and aesthetics providers worldwide, the Nordlys® platform is backed by clinical research and an established global track record. Eunoia Medispa's Morgan Hill location also offers Botox, dermal fillers, PRF microneedling, laser hair removal, hormone replacement therapy and IV vitamin therapy. All treatments are performed under the medical direction of Dr. Jamila Holloway and carried out by licensed medical providers.

Eunoia Medispa's Morgan Hill location is open Monday through Friday, 10:00 a.m. to 5:00 p.m. To learn more about Nordlys® treatments or to schedule a consultation, visit eunoiamedispa.com/morgan-hill or call 831-293-9344.
