

BCB Bank selects Vikar to deliver seamless online and in-branch account opening for consumer and business customers

BCB Bank selects Vikar Technologies to streamline consumer and business account opening online and in-branch, boosting efficiency and customer experience.

ISELIN, NJ, UNITED STATES, June 25, 2026 /EINPresswire.com/ -- [Vikar Technologies](#), a leading provider of unified digital account opening and lending solutions for financial institutions, today announced a partnership with [BCB Bank](#) ("BCB"). BCB will implement Vikar's platform to offer a more streamlined account opening journey for both consumer and business customers, whether online or in-branch.

The collaboration reflects a shared commitment to improving efficiency, strengthening compliance processes, and delivering a more unified customer experience. With Vikar's platform, BCB will be better equipped to support a consistent account opening experience across multiple channels, while helping customers open accounts with greater speed and ease.

"At BCB, our customers are at the center of everything we do. Partnering with Vikar gives us the technology to meet them where they are, whether that's online or walking through our doors, with an experience that's fast, simple, and built for the way people bank today. We're excited about what this means for our customers and our team." — Ryan Blake, Executive Vice President and Chief Operating Officer, BCB Bank

"We're excited to welcome BCB to the Vikar platform. They're a bank that truly puts their

Our customers are at the center of everything we do. Partnering with Vikar gives us the technology to meet them where they are, whether that's online or walking through our doors."
