Both are available now, just one block from the gentle, sandy-bottom break the shop is named after.

Thalia Surf boards

Summer is the easiest time of year to learn to surf in Southern California. Water temperatures climb into the high 60s and low 70s, and the friendly, forgiving waves at Thalia Street Beach make it widely considered the best place to learn in Laguna. Thalia Surf Shop has been teaching people to surf here since 2001, with instructors who are locals and friends that grew up surfing these breaks.

“

There is nothing quite like grabbing one of our boards and paddling into Thalia Street on a clean summer morning. Come by the shop, pick your board, and go surf.”

## Surf Lessons for All Ages and Skill Levels

Thalia's surf lessons meet beginners right where they are — whether it is a first time standing on a board or a returning surfer working on the next step. Every lesson covers ocean safety, surf etiquette, paddling, and the pop-

up, with a soft-top surfboard, leash, and wetsuit included. Most students catch and ride a wave

in their very first session.

- Private / Single Lessons: One-on-one coaching for the fastest progress, \$125 per person.
- Group Lessons (2 or More): A social, more affordable way to learn with a friend, partner, or the whole family, \$110 per person.

Lessons run about two hours and are offered year round at the best beginner-friendly breaks in the area, including Thalia Street Beach in Laguna Beach, Doheny State Beach in Dana Point, and San Onofre State Beach in San Clemente.

### Surfboard Rentals Steps From the Sand

For surfers ready to paddle out on their own, the shop's rental fleet puts a board in your hands and the water one block away. The fleet is made up of Thalia's own boards — real Thalia Surf Craft soft tops and a Thalia Surfboards longboard, not generic rental foam — with fins, leash, and wax included on every board.

- Soft tops in 7'0", 8'0", and 9'0" from \$45 a day
- The 9'6" Thalia Surfboards "Felix" longboard at \$65 a day
- Full-length wetsuit rentals for \$15 a day

Shop staff grew up surfing these breaks and will match each rider to the right board and point them to the best spot for the day. First-timers can pair a rental with a lesson for added coaching.
