

TITAN American Business Awards Announces Winners of Its Inaugural 2026 Season 1 Competition

The TITAN American Business Awards has officially announced the winners of its inaugural competition recognized by the national business awards program.

NEW YORK, NY, UNITED STATES, June 26, 2026 /EINPresswire.com/ -- The [TITAN American Business Awards](#) has officially announced the winners of its inaugural 2026 Season 1 competition, marking the first class of honorees recognized by the national business awards program.

2026 TITAN American Business Awards: Season 1 Full Results Announced

Organized by International Awards Associate Inc. (IAA), the first season received hundreds of entries representing the U.S. market. Submissions covered leadership, products and services, customer experience, technology, communications, events, and other areas driving modern enterprise.

“

To every honoree, this title recognizes successful achievement and the standard you have set for your teams, clients, industries, and those who will follow.”

*Thomas Brandt, spokesperson
of IAA*

For its first season, the award recognized a focused group of recipients whose work demonstrated measurable value, strategic execution, and professional excellence. Rather than emphasizing volume, the inaugural season establishes a clear benchmark for recognition built on merit, relevance, and business contribution.

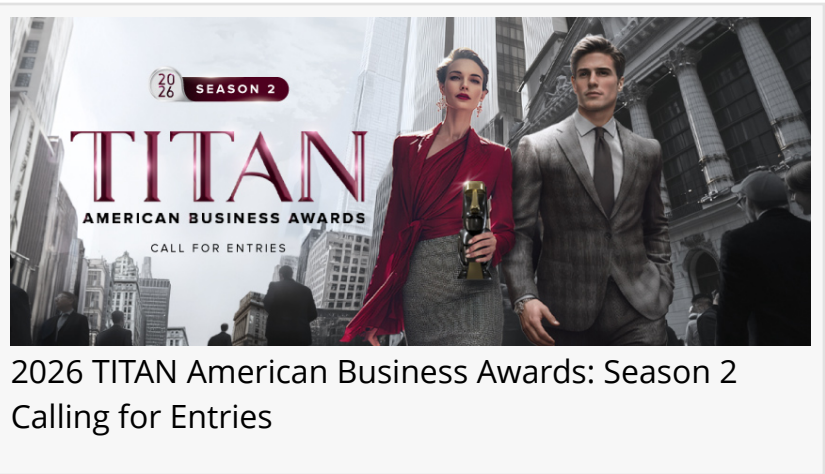

The 2026 Season 1 [business award winners](#) include:

- ASEA — Outstanding NGO/Nonprofit Partnership

(Corporate Social Responsibility Awards)

- BCN — Customer-Centric Culture (Customer Service Awards)

The complete results and individual winner profiles are available at <https://titanamericanbusinessawards.com/winner.php>.

“With this announcement, these winners become part of the first chapter of the TITAN [American Business Awards](#),” said Thomas Brandt, spokesperson of IAA. “They have shown what distinguished enterprise looks like in practice: decisive leadership, disciplined execution, and results that create meaningful value. To every honoree, this title recognizes successful achievement and the standard you have set for your teams, clients, industries, and those who will follow.”

Entries were evaluated through a structured judging process led by qualified professionals across relevant business disciplines. Submissions were reviewed according to defined standards, including performance, leadership, innovation, execution, market relevance, and overall impact.

The TITAN American Business Awards is now accepting entries for Season 2. The upcoming competition welcomes U.S.-based and international companies, professionals, executives, entrepreneurs, and teams demonstrating measurable achievement within the U.S. market.

Key dates include the Early Bird Deadline on July 24, 2026, the Final Extension Deadline on November 6, 2026, and the official results announcement on December 18, 2026. Full entry details, are available on the official website here: <https://titanamericanbusinessawards.com/>.

About TITAN American Business Awards

The TITAN American Business Awards recognizes achievements in business leadership, entrepreneurship, innovation, customer experience, marketing, communications, technology, corporate performance, and organizational impact. The award provides a merit-based platform for companies, professionals, executives, and teams seeking credible recognition for meaningful work connected to the U.S. business landscape.

About International Associate Awards (IAA)

Established in 2015, the International Awards Associate (IAA) is a global organization dedicated to recognizing professional excellence and outstanding achievements in various industries. As the organizer of a wide range of prestigious award programs such as the MUSE Creative Awards, MUSE Design Awards, French Design Awards, NYX Awards, NYX Game Awards, TITAN Business Awards, London Design Awards, NY Product Design Awards, French Design Awards, Noble Business Awards, and many more, IAA aims to honor, promote and encourage professional excellence, from industry to industry, internationally and domestically, through award platforms that are industry appropriate.
