While Ellerbee is expanding into the aforementioned areas, his firm will continue its mission in serving clients with publicity services. "In my fifty plus years in media, I never considered myself a 'one-trick pony'," he explains. "I believe in presenting a boutique of services, many of them media-related but also quite a few in the area of professional development and direction. It's my goal to not only help those who are already in business, but the next generation of leaders and creators."

In addition to expanded work and services, Ellerbee is the author of Amazon best-selling motivational books, "Ask Angelo", "The Sense of Success" and "Before I Let You Go." He's planning a lecture tour of colleges and universities for the fall of 2026.
