

Airtripmaker Makes Business Class Flight Travel Accessible with Competitive Fares from Major U.S. Cities

Leading Travel Platform Offers Affordable Premium Business Class Flight Options to India, Europe, Asia, Australia, and the Middle East

GERMANTOWN, MD, UNITED STATES, June 26, 2026

/EINPresswire.com/ -- Airtripmaker, a premier online travel booking platform, is transforming international air travel by offering [affordable business class flights](#) from major U.S.

cities. With comprehensive route coverage across San Francisco, New York, Dallas, Chicago, Atlanta, Los Angeles, Seattle, and additional metropolitan areas, Airtripmaker is making premium-cabin comfort accessible to more travelers than ever before.

Breaking the [Business Class Price](#) Barrier

For years, business class travel has remained financially out of reach for most travelers, despite the significant comfort advantages on long-haul international flights. Airtripmaker is changing this dynamic by securing competitive rates on [business class tickets](#) to popular Indian destinations, including Delhi, Mumbai, Bangalore, Hyderabad, Chennai, and Ahmedabad.

“Travelers shouldn’t have to choose between comfort and affordability when flying internationally,” said Spokesperson from Airtripmaker. “Our platform leverages industry partnerships and advanced booking technology to offer business class tickets at prices that make premium travel a realistic option for families, business professionals, and anyone planning a trip.”

Comprehensive Route Network Across North America

The platform specializes in routes to India’s major gateway cities, including Indira Gandhi International Airport (Delhi), Chhatrapati Shivaji Maharaj International Airport (Mumbai), Kempegowda International Airport (Bangalore), Rajiv Gandhi International Airport (Hyderabad), Chennai International Airport, and Sardar Vallabhbhai Patel International Airport (Ahmedabad).
