

Vortex Doors Kansas City celebrates local technicians for SuperTech Day 2026

KANSAS CITY, KS, UNITED STATES, June 26, 2026 /EINPresswire.com/ -- Vortex Doors Kansas City is joining companies across the country in celebrating the [International Door Association's 2026 SuperTech Day](#), a day dedicated to recognizing the skilled professionals who keep commercial facilities operating safely and efficiently.

The Vortex Doors Kansas City team celebrated with a superhero photo competition, suiting up for a chance to win prizes. It was a fun way to recognize the people who respond to service calls, solve challenging field issues, and help customers minimize disruptions to their businesses.

running, and businesses moving.”

The team has completed projects ranging from replacing a failed overhead coiling door at a local distribution center to restoring a malfunctioning automatic entrance at a medical office and repairing damaged dock levelers at a refrigerated warehouse. While most of this work happens behind the scenes, it plays an important role in helping local businesses maintain safe, reliable, and productive facilities.

“Every day our technicians answer the call when customers need help,” said Scott K., Branch Manager at Vortex Doors Kansas City. “They might not wear capes on the job, but they're the superheroes keeping doors open, docks

Vortex Doors Kansas City provides [commercial and industrial door services](#) throughout the Kansas City metro area, from commercial doors, gates, and access systems to loading dock and

dock leveler services. Customers include warehouses, distribution centers, retail businesses, healthcare facilities, schools, restaurants, parking structures, manufacturing facilities, and more.

While customers may only see the finished result, SuperTech Day highlights the expertise, problem solving, and dedication that go into commercial door repair and maintenance. These technicians are the real heroes behind every service call.
