

Aariya Goel Appointed Chief Executive Officer of Akademik America

AUSTIN, TX, UNITED STATES, June 29, 2026 /EINPresswire.com/ -- Akademik America has appointed [Aariya Goel as Chief Executive Officer](#), effective July 1, 2026. Goel joined the group in 2013 and has most recently served as Managing Director and Chief Operating Officer, with day-to-day responsibility for the company's worldwide operations, products and delivery.

Her appointment adds to the growing number of Indian professionals leading global organizations headquartered in the United States, with operations, customers and institutional relationships spanning multiple regions.

Goel began her career at Akademik America in regional business operations, covering Europe, the Middle East, Africa and Latin America, before assuming global operational responsibility as Managing Director and Chief Operating Officer. Over the past five years, she has overseen a broad restructuring of the company's operating model, product architecture and internal systems, and has led the development of its international delivery infrastructure. Her work has also included the integration of artificial intelligence into the company's products and processes.

As Chief Executive Officer, she will carry full responsibility for the company's strategy, operations, product portfolio, customer relationships and organizational performance.

[Hitansh Singala, Lead Independent Director](#), said "Aariya has been leading Akademik America's global operations at the highest level for several years. Her appointment as Chief Executive
