/EINPresswire.com/ -- Author Dr. Jeff Jacob introduces Kingdom Kinship: Rediscovering Relational Discipleship, a Christian discipleship book that examines the vital role of spiritual fathers and mothers in nurturing healthy, mature believers. Grounded in biblical teaching and supported by the author's doctoral research, the book addresses the growing need for meaningful spiritual relationships within the Church. By emphasizing mentorship rooted in Scripture, Jacob offers a compelling resource for believers seeking deeper spiritual growth and stronger connections within the Body of Christ.

In Kingdom Kinship: Rediscovering Relational Discipleship, Jacob explores the biblical foundation for relational discipleship, drawing particular attention to the promise found in Malachi 4:6 and its relevance for today's Church. The book demonstrates how intentional spiritual mentoring strengthens personal faith, encourages spiritual disciplines, and fosters lasting transformation.

The inspiration for the book emerged from Jacob's desire to understand the impact of spiritual mentorship on Christian growth. While researching the consequences of absent fathers for his doctoral dissertation, he began exploring whether the absence of spiritual fathers and mothers produces similar effects within the Church. His research affirmed the importance of relational discipleship, motivating him to write a resource that encourages believers to cultivate meaningful mentoring relationships grounded in biblical truth.

Beyond exploring discipleship as a ministry practice, the book emphasizes the broader
