

# A' Home Appliance Design Awards 2026 Early Call for Entries Announced

*A' Home Appliance Design Awards 2026 opens for early entries from appliance designers, manufacturers and home technology innovators worldwide*

COMO, CO, ITALY, June 29, 2026

/EINPresswire.com/ -- Today, A' Design Award & Competition has released its call for entries to A' International Home Appliances Design Awards. The A' Home Appliances Design Awards are open for entries by Home Appliance [Designers](#), Industrial Designers, Product Engineers, Appliance Brands, Appliance Manufacturers, Electrical Engineers, User Experience Designers, User Interface Designers, Industrial Design Studios, Consumer Electronics Companies, Kitchenware Brands, Household Product Designers, Ergonomics Specialists, R&D Firms,

Appliance Innovators, Safety Compliance Engineers, Appliance Retailers, Robotics Engineers, Home Appliance Innovation, Consultancy, Research and Development Companies worldwide. Designs that were thoughtfully created within the last 10 years are eligible for participation.

The A' International Home Appliances Design Awards is a two-phase competition. The first phase of the competition starts with free preliminary evaluation, Home Appliance Designers, Industrial Designers, Product Engineers, Appliance Brands, Appliance Manufacturers, Electrical Engineers, User Experience Designers, User Interface Designers, Industrial Design Studios, Consumer Electronics Companies, Kitchenware Brands, Household Product Designers, Ergonomics Specialists, R&D Firms, Appliance Innovators, Safety Compliance Engineers, Appliance Retailers, Robotics Engineers, Home Appliance Innovation, Consultancy, Research and Development Companies can register at A' Design Awards to submit a work for the Home Appliance Awards, and get a preliminary score for their work. Projects that pass the preliminaries can proceed with

nomination, however it shall be noted in advance that there is a nominal fee for nominating entries for Home Appliance Awards consideration.

Beyond recognizing excellence in home appliance design, the A' Home Appliances Design Awards contribute to a broader mission of advancing society through intelligent household technologies, energy-efficient products and user-centered innovation. Entries are anonymously evaluated through a peer-review process by an influential international jury panel composed of more than 300 academics, journalists, design professionals, museum curators, investors and industry experts. By highlighting appliances that improve convenience, safety, accessibility and everyday living, the competition aims to promote global awareness of good design practices while encouraging designers, engineers and manufacturers to create innovative home solutions with lasting social and environmental value.

#### Home Appliance Awards Timeline & Eligibility

Early deadline for entries to A' Home Appliances Design Awards is on June 30, 2026. Results of the A' Home Appliances Design Awards will be announced on May 1, 2027.
