

Unbroker Wins Best AI Solution at Tech Week

Recognition at the a16z-sponsored event highlights Unbroker's AI-native approach to modernizing small business ownership transfers.

BOSTON, MA, UNITED STATES, June 29, 2026 /EINPresswire.com/ -- Unbroker, the [AI-native operating system for business transfers](#), was named Best AI Solution by The Ventures at its Startup Award Boston 2026 event during Boston Tech Week.

The Ventures announces winners at Tech Week in Boston.

The recognition followed Unbroker's live finalist pitch in Boston on May 26, where founder and CEO P. Cory Hogan presented the company's work to modernize how small businesses are valued, bought, and sold. Unbroker's patent-pending [ValuBot AI](#) has generated over \$13B in businesses estimates in 9 months.

“

We are incredibly proud to be bringing AI to Main Street America.”

Cory Hogan, Co-Founder and CEO

“Small business ownership transfer is one of the largest and most under-modernized markets in the country,” said P. Cory Hogan, Co-Founder and CEO of Unbroker. “We are incredibly proud to be bringing AI to Main Street America, serving the 10 million small business owners who will be exiting by 2035.”

Beyond ValuBot, Unbroker's platform combines valuation intelligence, seller preparation, buyer distribution, transaction workflow, and advisor support. Unbroker has successfully transitioned millions in business value in all major sectors, such as construction, hospitality, manufacturing, healthcare, and technology.

The Tech Week award comes as Unbroker continues to build momentum across AI valuation, small business succession, franchise resale, and partner-led distribution. The company recently announced its partnership with the [National Association of Enrolled Agents](#) and continues to expand its AI-supported workflow for owners, buyers, advisors, and partners.
