

Vortex Doors San Diego celebrates local technicians for SuperTech Day 2026

SAN DIEGO, CA, UNITED STATES, June 29, 2026 /EINPresswire.com/ -- Vortex Doors San Diego is joining companies across the country in celebrating the International Door Association's 2026 SuperTech Day, a day dedicated to recognizing the skilled professionals who keep commercial facilities operating safely and efficiently.

The Vortex Doors San Diego team celebrated with a superhero photo competition, suiting up for a chance to win prizes. It was a fun way to recognize the people who respond to service calls, solve challenging field issues, and help customers minimize disruptions to their businesses.

Over the past several months, the San Diego team has supported local businesses with a wide range of commercial door service, including a recent hospitality project where technicians completed a detailed walk-through and repaired multiple pedestrian doors, including glass, wood, and hollow metal doors, to help the property meet an important inspection deadline. While much of this work happens behind the scenes, it plays an important role in helping local businesses maintain safe, reliable, and productive facilities.

“

Our technicians are the people customers count on when something needs to be fixed quickly, safely, and correctly.”

Leon S.

“Our technicians are the people customers count on when something needs to be fixed quickly, safely, and correctly,” said Leon S., Territory Manager at Vortex Doors San Diego. “SuperTech Day gives us a chance to recognize the skill and dedication they bring to every job.”

Vortex Doors San Diego technicians suit up for SuperTech Day.
