Located at the center of the exhibition floor directly in front of the main stage, the H2Ocean booth welcomed thousands of artists, collectors, and attendees throughout the weekend. The convention featured continuous tattoo competitions that extended well past midnight each evening. Entries across numerous categories were judged by some of the industry's most respected tattoo artists, showcasing

extraordinary creativity and technical excellence. The event also awarded more than \$60,000 in prize money, making it one of the most prestigious competitions in the tattoo industry.

H2Ocean was especially proud to congratulate H2Ocean Pro Team artists Rember and Diogo, who earned top honors for their outstanding Color Piece tattoo during the competition. Their achievement reflects the exceptional talent represented within the H2Ocean professional artist community. Another major highlight was the coveted Best of Show award, earned through an impressive collaborative black and grey masterpiece. In addition, one of the event's \$20,000 top prizes was awarded to Francisco and Serra Tattoo, artists who also trust H2Ocean products in their professional tattoo aftercare protocols.
