

Peracetic Acid Market Growth Accelerates Amid Rising Demand for Food Safety and Disinfection

Peracetic acid market is witnessing strong growth, driven primarily by rising demand across the food & beverages, healthcare, and pharmaceutical industries.

WILMINGTON, DE, UNITED STATES, June 30, 2026 /EINPresswire.com/ --

The global [peracetic acid market](#) is witnessing strong growth, driven primarily by rising demand across the food & beverages, healthcare, and pharmaceutical industries. Increasing usage in sanitation, disinfection, and processing applications continues to support market expansion.

Peracetic Acid Market Growing Demand

Peracetic acid is widely used in food processing and packaging—especially for products such as juices, soft drinks, milk, and tea due to its strong antimicrobial properties. Its growing adoption as a sanitizer in the brewing industry, along with increased pharmaceutical applications, is further boosting demand.
