*Global humanitarian organization recognized for excellence in corporate social responsibility and international impact*

PLEASANT GROVE, UT, UNITED STATES, July 1, 2026 /EINPresswire.com/ -- The TITAN American

“

The Advancing Life Foundation has demonstrated what is possible. Together, we are helping communities thrive and creating opportunities that will impact generations to come.”

*KimMarie Larsen, Executive Director of the Advancing Life Foundation*

Business Awards has officially announced the winners of its 2026 Season 1 competition, recognizing organizations and initiatives that demonstrate excellence in leadership, innovation and organizational impact.

ASEA's Advancing Life Foundation has been named a Silver winner in the Corporate Social Responsibility category, honoring the foundation's commitment to improving lives through sustainable humanitarian initiatives around the world.

"For more than a decade, the Advancing Life Foundation has demonstrated what is possible when purpose and people come together to serve others," said KimMarie

Larsen, Executive Director of the Advancing Life Foundation. "This recognition honors not only the work of our foundation and nonprofit partners, but also the thousands of ASEA Brand Partners and customers around the world who believe that improving lives and creating lasting change is a responsibility we all share. Together, we are helping communities thrive and creating opportunities that will impact generations to come."

Founded in 2015, the Advancing Life Foundation has contributed more than \$4 million to charitable initiatives worldwide, helping provide safe water access, educational opportunities, community development programs and life-changing resources to vulnerable populations. Its work includes 450+ clean water wells in Cambodia and Africa, four new schools in Ghana, a vocational school in rural Ecuador, and over one million meals distributed around the globe. The recognition from TITAN highlights the foundation's commitment to sustainable impact, global partnerships and corporate responsibility that extends beyond traditional philanthropy.

"With this announcement, these winners become part of the TITAN American Business Awards,"

said Thomas Brandt, spokesperson of the International Awards Associate (IAA). "They have shown what distinguished enterprise looks like in practice: decisive leadership, disciplined execution, and results that create meaningful value. This title recognizes successful achievement and the standard you have set for your teams, clients, industries, and those who will follow."
