SPRINGFIELD, VA, UNITED STATES, July 1, 2026 /EINPresswire.com/ -- Exterior Medics has been named a winner of the Greater Washington Area Top Workplaces 2026 Award by WTOP News. The prestigious recognition is based entirely on employee feedback gathered through a confidential third-party survey administered by Energage, a leading employee engagement technology partner.

Exterior Medics Named a Top Workplace in 2026

The Top Workplaces award celebrates organizations that prioritize a people-first culture and foster an environment where employees feel valued, supported, and empowered to succeed. Survey responses measure key aspects of the workplace experience, including employees feeling respected and supported, enabled to grow, and empowered to execute.

“

Being named a WTOP Top Workplace is a reflection of what matters most to us: our people. It affirms that we've built an environment where employees feel supported and take pride in their work.”

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, CEO of Energage. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."
