COLUMBIA, SC, UNITED STATES, July 1, 2026 /EINPresswire.com/ -- [Odosek Lab Solutions](https://www.einpresswire.com/odosek-lab-solutions) announced the opening of its new office at 3800 Forest Drive, Suite B201, Columbia, SC 29204, bringing professional drug testing and DNA testing services to businesses and residents throughout Forest Acres, Richland County, and the greater Columbia Midlands.

The Forest Acres office is open 24 hours a day, 7 days a week, with same-day appointments always available. The office also offers rapid drug testing with results in five minutes on-site, with lab-confirmed results available in 24 to 48 hours.

The location is designed to serve employers, healthcare providers, staffing agencies, attorneys, property managers, schools, government agencies, and individuals who need fast, reliable, and certified testing results.

"Forest Acres is a growing professional hub, and employers here need drug testing they can count on — not just during business hours," said a spokesperson for Odosek Lab Solutions. "We built this location around that need. Same-day service, 24/7 access, and certified collectors on-site means our clients never have to wait when time is critical."
