

PosterMyWall AI 2.0 Brings AI Video, Multipages support, and Smarter Creation Tools to Small Businesses

New AI updates include AI video, multipages, instant event graphics, expanded social media metrics, and more ways to create complete marketing campaigns.

CARLSBAD, CA, UNITED STATES, July 7, 2026 /EINPresswire.com/ --

PosterMyWall, an all-in-one AI-powered marketing platform for small and local businesses, launched PosterMyWall AI 2.0, a major upgrade to its prompt-based AI along with more tools to create, customize, animate, and publish marketing content.

PosterMyWall AI 2.0: AI Video, multipage support and more

"Small businesses don't just need a design, they need a campaign" said Ric Goell, cofounder of PosterMyWall. "PosterMyWall AI 2.0 takes them from first prompt to published post, with more control at every step."

Additional updates

- Multipage support: Add multiple pages in a single design file to create brochures, presentations, menus, catalogs, event programs, and social media carousels in a single design file.
- Expanded social media metrics: Now view published performance metrics across TikTok and YouTube.
- Instant event calendar graphics: Generate promotional graphics automatically from Events Calendar listings.
- Easier editing with layers: Edit, reorder, and isolate design elements with a dedicated layers panel. No more selecting the wrong thing.

Together, these enhancements expand PosterMyWall's all-in-one marketing platform, helping businesses create more content, in less time, with fewer tools.
