

Perini & Associates Donates to FaithfulHearts Equine Learning Center to Support Veterans and Community Programs

Donation supports equine-assisted services benefiting veterans, children, first responders and families across the Pikes Peak region.

WOODLAND PARK, CO, UNITED STATES, August 17, 2026 /EINPresswire.com/ -- [Perini & Associates](#) Donates to [FaithfulHearts](#) Equine Learning Center to Support Veterans and Community Programs

WOODLAND PARK, Colo. — Perini & Associates has donated to FaithfulHearts Equine Learning Center, supporting the nonprofit organization's efforts to provide equine-assisted services for veterans, children, individuals with disabilities, first responders and families throughout the Pikes Peak region.

“

Support from businesses and community partners allows us to continue providing life-changing equine-assisted services to those who need them most.”

Stephanie Smith

The contribution reflects the Woodland Park-based firm's ongoing commitment to supporting organizations that strengthen local communities and improve quality of life for those facing physical, emotional and developmental challenges.

The donation was presented during a recent visit to the center, where Perini & Associates President and CEO Michael Perini met with Executive Director Stephanie Smith

and learned more about FaithfulHearts' programs and impact.

FaithfulHearts Equine Learning Center is a PATH International-certified nonprofit that provides equine-assisted services designed to promote confidence, emotional well-being, communication skills and personal growth. Through its programs, the organization serves veterans, children, individuals with disabilities, first responders and families while also offering leadership

development opportunities, educational programs and volunteer experiences.

"As a retired [United States Air Force](#) officer, supporting veterans has always been important to me," Perini said. "When I learned more about the work FaithfulHearts is doing, I immediately saw the difference they are making in people's lives. Their programs help individuals build confidence, find hope and develop skills that positively impact them long after they leave the arena."

Perini said he was particularly impressed by the organization's commitment to serving a wide range of community members and by Smith's leadership.

"Stephanie's passion for the mission is evident from the moment you meet her," Perini said. "She has built an organization that is changing lives every day, and it was inspiring to learn more about the vision and dedication behind that work."

Smith said community partnerships play a critical role in helping FaithfulHearts meet increasing demand for services.

"We are incredibly grateful for the generosity of Michael Perini and Perini & Associates," Smith said. "Support from businesses and community partners allows us to continue providing life-changing equine-assisted services to those who need them most. Every donation helps expand opportunities for healing, growth and independence."

Perini encouraged residents and businesses to learn more about the organization and explore ways to get involved.

"Organizations like FaithfulHearts are making a lasting difference in our community," Perini said. "Whether through volunteering, financial support, sponsoring a horse or helping raise awareness, every contribution helps ensure these programs remain available to the individuals and families who rely on them."
