

Divine Smiles Dental Brings Same-Day Emergency Care and Life-Changing Smile Makeovers to New Haven

Led by Dr. Shande Adinyaguev, the Chapel Street practice pairs a 4.7-star reputation with same-day emergency care and advanced smile makeovers.

NEW HAVEN, CT, UNITED STATES, July 2, 2026 /EINPresswire.com/ -- When a New Haven family wakes up to a child's toothache, a chipped front tooth before a big day, or years of putting off a smile they've never loved, they want one thing: a dentist who can see them now and get it right. Divine Smiles Dental is answering that call — and doing it for the whole community.

The Chapel Street practice, led by Dr. Shande Adinyaguev, today announced expanded same-day emergency appointments and a growing focus on complete smile makeovers — the kind of cosmetic and restorative transformations that used to mean a trip to a big-city specialist. Now they're available right here in New Haven, at a practice that has earned a 4.7-star rating from more than 229 patients.

"Everyone deserves to love their smile — and everyone deserves to be treated like a person, not a chart number," said Dr. Adinyaguev. "Whether someone walks in with an emergency at 9 a.m. or comes in dreaming about the smile they've wanted for twenty years, our job is to make world-class dentistry feel welcoming, honest, and within reach. That's what Divine Smiles is about."

From Emergencies to Full Smile Transformations

Divine Smiles has built its reputation on warm, patient-centered care and a genuinely full range of services under one roof:

- Same-day emergency dentistry — pain relief, broken and knocked-out teeth, and urgent care without the wait
- Complete smile makeovers — custom-designed combinations of veneers, whitening, and cosmetic dentistry that redesign a smile from the ground up
- Cosmetic dentistry — porcelain veneers, Invisalign clear aligners, Juvéderm, and Snap-On Smile
- Full-mouth restoration and dental implants — including All-on-X implant solutions that can replace a full arch of teeth with a fixed, natural-looking set in record time
- CEREC same-visit crowns — no second appointment, no temporary

- Family and preventive care — cleanings, checkups, fillings, root canals, and laser dentistry for every age

Care That's Actually Accessible

Crucially, Divine Smiles removes the barrier that keeps so many families from consistent dental care: cost and coverage. The practice proudly accepts Medicaid, Husky Health, and most major insurance plans — meaning advanced cosmetic and restorative dentistry isn't reserved for the few.

The practice serves patients throughout New Haven, West Haven, Hamden, and East Haven, Connecticut.
