announces that co-founder [James B. Moore III](#) has been ranked in the Top 25: 2026 South Carolina Super Lawyers list, placing him among the highest-rated trial attorneys across the entire state. The recognition, issued by Super Lawyers in 2026, reflects statewide peer evaluations and independent research conducted through the organization's patented multi-phase selection process.

Super Lawyers selects its honorees through a process that combines statewide attorney surveys, independent research, and peer evaluations. Attorneys may not self-nominate or pay for placement. The organization first identifies the top five percent of lawyers in each state for its general Super Lawyers designation; the Top 25 list draws from that pool to identify the most highly regarded attorneys statewide. Moore has held the South Carolina Super Lawyer designation every year since 2019 and received the Rising Star designation from 2016 through 2018. His 2026 Top 25 placement marks the highest tier the organization awards within the state.

"This recognition belongs to every client who trusted us to handle their most difficult moment," said James B. Moore III, Co-Founder at Evans Moore, LLC. "We will continue to represent injury victims and families across South Carolina with that same commitment."

Moore is a third-generation South Carolina trial attorney who earned his law degree, cum laude, from the Charleston School of Law in 2008. He previously clerked for a state circuit court judge before co-founding Evans Moore, LLC. Throughout his career, he has represented clients in catastrophic injury, wrongful death, medical malpractice, and civil rights matters, obtaining results that include a \$97.5 million civil rights verdict, a \$10 million jury award in a jail medical negligence case, a \$5 million wrongful death verdict, and a number of civil verdicts in excess of

\$1 million. Evans Moore, LLC handles all cases on a contingency basis and offers free consultations to prospective clients. Additional details on Moore's background and this honor are available on the firm's blog post.
