Botanical Hydration features Hydrosella™, Telescence Breeztel™, lavender, and chamomile to support hydration, skin comfort, and the moisture barrier.

Lavender, chamomile, glycerin, and ionic clay minerals complement the formula to promote softer, more comfortable, and visibly refreshed skin. Designed for use on the face, neck, and body, Zion Health's new Calming Skin Mist delivers a fine, refreshing layer of hydration without leaving behind a heavy or sticky residue. The new product can be applied morning or night as part of a regular skin care routine or used anytime the skin needs a calming moisture boost.

Key Benefits of New Calming Skin Mist

□ Instant Hydration: Glycerin, erythritol, and botanical extracts help attract and retain moisture for softer, refreshed-looking skin.

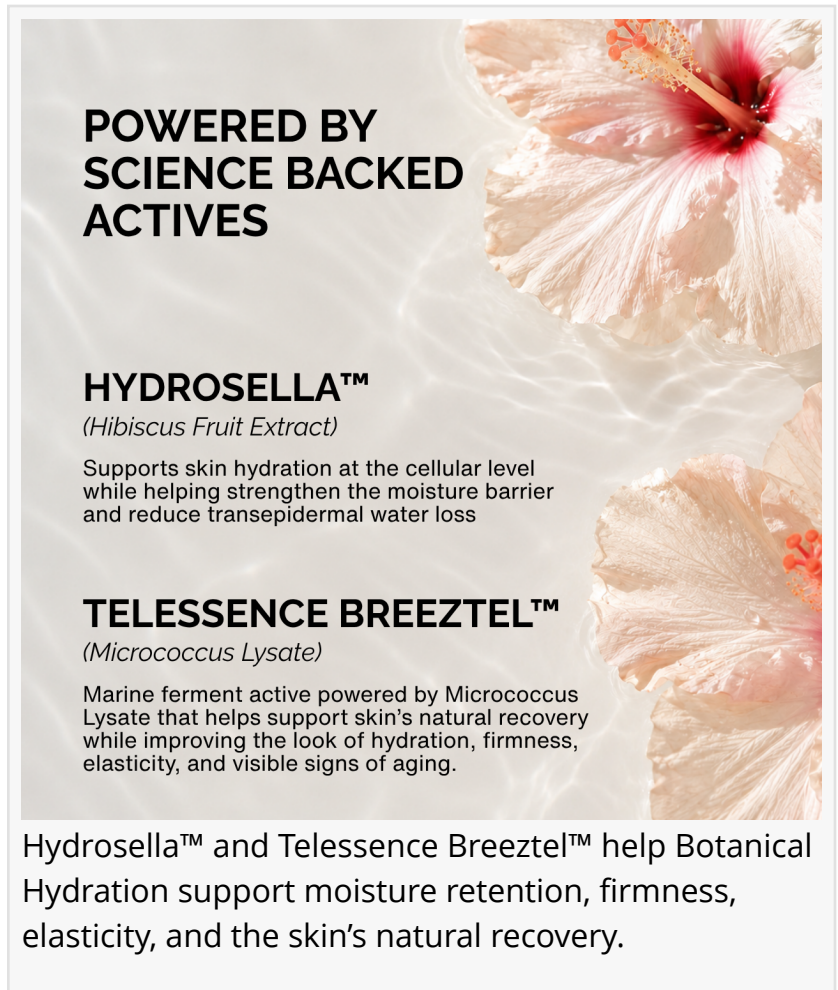

- **Skin Barrier Support:** Hydrosella™ helps support the skin's response to dehydration while improving moisture retention and barrier comfort.
- **Stress-Aging Defense:** Telessence Breeztel™ helps reduce the visible effects associated with emotional stress while supporting hydration, firmness, and elasticity.
- **Calming Botanical Care:** Lavender and chamomile help comfort the skin, reduce the appearance of irritation, and promote a visibly calmer complexion.
- **Lightweight Fine Mist:** The non-sticky formula absorbs comfortably and can be reapplied throughout the day.
- **Face and Body Use:** Suitable for application to the face, neck, or body whenever additional hydration is needed.

Clean & Conscious Formulation

- **Phthalate Free:** Made without unnecessary phthalate-based fragrance additives.
- **Sulfate Free:** Made without harsh sulfate cleansing agents that can strip the skin.
- **Paraben Free:** Made without parabens.
- **Gluten Free:** Suitable for gluten-free preferences.
- **Vegan & Cruelty Free:** Made without animal-derived ingredients or animal testing.
- **Mineral Infused:** Contains naturally derived ionic clay minerals to help purify, balance, and refresh the skin.
- **Botanical Hydration:** Formulated with hibiscus, chamomile, lavender, and orange peel extracts to support moisture and skin comfort.
- **Two Science-Backed Actives:** Features Hydrosella™ and Telessence Breeztel™ to support hydration, moisture retention, firmness, elasticity, and stress-aging defense.

Ingredient Highlights

- **Hydrosella™ — Hibiscus Extract:** A Hibiscus sabdariffa-derived osmo-hydration active selected for its natural betaine content. It helps support hydration, moisture retention, and skin barrier comfort.
- **Telessence Breeztel™ — Micrococcus Lysate:** A marine ferment active that helps defend against the visible effects of emotional stress while supporting skin hydration, elasticity, firmness, and recovery.
- **Lavender:** Contains antioxidant and calming botanical compounds that help support skin
