

Pre-Orders Open July 15: Power Rangers Statues

Prime 1 Studio announces new statues: 5-Ranger Set and Red Ranger from "Power Rangers." Pre-orders open July 15, 2026 (JST).

ASAKUSA, TAITO-KU, TOKYO, JAPAN, July 15, 2026 /EINPresswire.com/ -- Prime 1 Studio is pleased to announce the upcoming pre-order of the Power Rangers 5-Ranger Set from "Mighty Morphin Power Rangers," joining the Premium Masterline series.

Based on the original five Rangers from the television series, this 1/4 scale statue set depicts the team in poses inspired by the Roll Call pose, a signature element inherited from the Super Sentai tradition. The sculpting and paintwork recreate the moment when the team completes its introduction and strikes its iconic pose.

Each helmet is finished with the glossy appearance seen in the series and reflects the design of its respective Zord. The proportions are based on the physiques of the suit actors, with attention paid to musculature, body lines, and the texture of the costumes.

The themed base is inspired by the Power Morpher and the morphing sequence.

Interchangeable arm parts allow each Ranger to be displayed with their respective Power

Weapon in multiple poses, including the two modes of the Power Axe and the separated and combined forms of the Power Lance.

The DX Bonus Version also includes an additional left hand for the Red Ranger holding the Blade Blaster, providing another display option.

The standalone Red Ranger statue from the same Premium Masterline series will also be available for pre-order on the same day.
