FOR IMMEDIATE RELEASE

[ITI Technical College](#) Earns Renewal of
[Accreditation](#) Through ACCSC

Baton Rouge, Louisiana – ITI Technical College is proud to announce the

successful renewal of its accreditation through the Accrediting Commission of Career Schools and Colleges (ACCSC), reaffirming the institution's commitment to providing high-quality [career-focused education](#) and training.

“

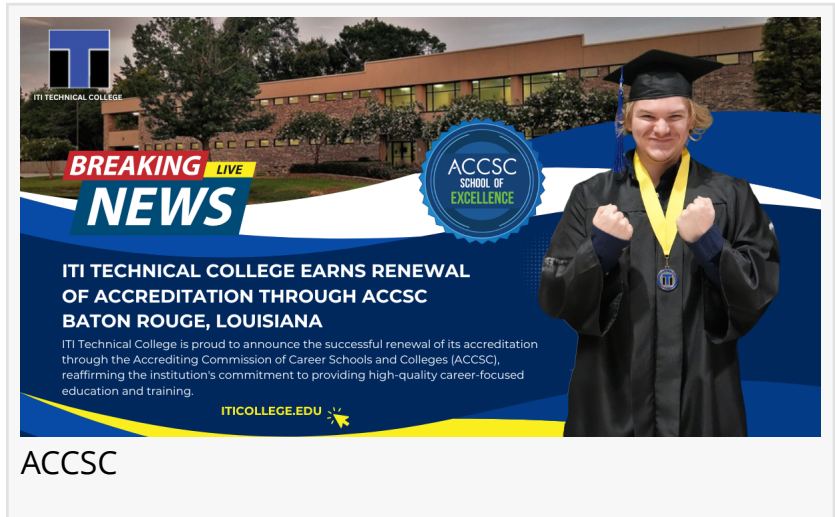

Every day, our team works to provide students with the knowledge, skills, and support they need to achieve their educational and career goals.”

Michael Champagne

The accreditation renewal recognizes ITI Technical College's continued adherence to rigorous standards related to student achievement, educational effectiveness, institutional integrity, and continuous improvement. Accreditation serves as an important validation of the quality of education and services provided to students and demonstrates the institution's dedication to preparing graduates for successful careers in industry and technology-related fields.

For more than five decades, ITI Technical College has served students and employers throughout the Greater Baton Rouge region by providing hands-on training designed to meet workforce needs. The college maintains strong relationships with employers across a variety of industries, helping graduates transition from the classroom to meaningful careers.

"This accreditation renewal is a reflection of the hard work and dedication of our faculty, staff, administration, and Board of Directors," said Michael Champagne, School Director of ITI

Technical College. "Every day, our team works to provide students with the knowledge, skills, and support they need to achieve their educational and career goals. We embrace accreditation not simply as a requirement, but as a framework for continuous improvement and enhanced student learning."

The renewal process involved a comprehensive review of the institution's operations, academic programs, student outcomes, administrative practices, and commitment to student success. The successful outcome highlights the college's ongoing efforts to maintain high standards of excellence while adapting to the evolving needs of students and employers.

ITI Technical College extends its gratitude to its employees, students, graduates, employers, advisory committee members, and Board of Directors whose contributions have helped make this achievement possible.

As ITI Technical College looks to the future, the institution remains committed to providing quality education, supporting student success, and strengthening the workforce throughout Louisiana and the Gulf South region.

About ITI Technical College

Founded in 1973, ITI Technical College is a private institution located in Baton Rouge, Louisiana, specializing in technical and professional education. The college offers programs designed to prepare students for careers in industrial technology, automation, drafting and design, construction management, information technology, process technology, HVAC, and other workforce-driven fields. Through hands-on training and strong employer partnerships, ITI Technical College helps students develop the skills needed to succeed in today's workforce.
