Below are a few testimonials from Central Funeral Services clients:

"Kevin and his team were absolutely fantastic when it came to my son's funeral they dealt with everything and with most care and respect. Very professional company with a family caring feel which makes you feel so much at ease during a difficult time nothing was to much trouble and everything was perfect down to every last detail. Thanks again to you all."

"I never thought i would be writing another review so soon but genuinely a massive thank you to Kevin and his team

yet again for their services. My mother passed away suddenly in October and I contacted Kevin to help me and my family organise her service. The amount of support, care and professionalism from the whole team was truly above and beyond. From the planning to the actual service the support the whole family received was immense and guiding us through the whole process was a great help to us all.

Alan our Celebrant that was recommended to us helped make the day that wee bit more special as well with his delivery of her eulogy. That was perfect!!

My mums service was absolutely beautiful and I dont think I could have got such a perfect send off without the whole team helping us organise the day.

I would highly recommend Central Funeral Services to anyone thats going through a similar situation.

A huge thank you to Kevin, Lorna and Chloe and anyone weve missed at CFS from all of our family."

"I can't thank Central Funeral Services enough for their professionalism, kindness, help and advice recently when my uncle passed. None of our family live in the area, and opting for Central's Caledonian Cremation made things so simple and much less stressful. Kevin and the team took care of absolutely everything, including organising the flowers and catering, the celebrant, and hosting the funeral tea on site as well as the service. I can't recommend them highly enough."

"Would like to thank this company for such an excellent service from start to finish, chloè and kevin and lorna took amazing care of my granddaughter as a family we appreciated everything

and highly recommend central funeral services.”

The Central Funeral Services team remains dedicated to providing compassionate and dignified care to their clients.
