Music has always been my way of telling stories. The recognition of *Soul of God* and *The Last Dynasty* inspires me to keep creating and exploring new musical horizons.”

Victoria Kuan

Continuing the momentum of her award-winning career, Kuan announces the release of two new original works: [The Queen Ascends](#), an epic cinematic orchestral composition, and [When You Love Me](#), her first officially released English-language Pop/R&B single.

Kuan first gained international recognition through her original film scores, including *Soul of God*, which received multiple international film festival awards and official selections. Building upon the success of *The Last Dynasty*, Kuan now presents *The Queen Ascends*, an emotionally powerful orchestral work inspired by resilience, leadership, and transformation. Featuring sweeping orchestration and cinematic storytelling, the composition reflects her continued passion for creating immersive music for film and visual media.

At the same time, Kuan expands her artistic identity with *When You Love Me*, her first officially released English-language vocal single. Blending contemporary Pop and R&B influences, the song introduces audiences to another dimension of her artistry as both a singer-songwriter and music artist while maintaining the emotional storytelling that defines her musical style.

“Receiving international recognition for Soul of God and The Last Dynasty has inspired me to keep pushing my creative boundaries,” said Kuan. “With The Queen Ascends, I continue my journey in cinematic composition, while When You Love Me represents a new chapter as a singer-songwriter and music artist.”
