

# Five Reputable Wooden Swing Sets Manufacturers China 2026: Delivering Safe & Durable Outdoor Play Equipment

*Safe and Durable Outdoor Play Solutions from Leading Chinese Manufacturers*

CALIFORNIA, CA, UNITED STATES, July 6, 2026 /EINPresswire.com/ -- QINGDAO, China, July 6 —A review of key Chinese suppliers shaping the global wooden swing set market, with a focus on safety, craftsmanship, and export capacity.

The global demand for children's [wooden swing sets](#) continues to grow as parents and institutional buyers seek safe, durable outdoor play solutions. Chinese manufacturers have emerged as major suppliers, combining cost-effectiveness with improved quality standards. This article profiles five reputable wooden swing set manufacturers in China: Qingdao Pafic Hardware Co., Ltd. (brand [PAFIC PLAY](#)), Zhejiang Yiqi Wood Industry Co., Ltd., Heze Zhongran Woodware Co., Ltd., Yunhe Lvlin Preschool Education Equipment Co., Ltd., and Suzhou Joye Industry & Trade Co., Ltd.

Qingdao Pafic Hardware Co., Ltd.

## Industry Context

The wooden swing set segment of the outdoor play equipment industry has seen steady expansion, particularly in North America and Europe, where safety certifications and material quality are prioritized. Chinese producers have invested in automated production lines and research & development to meet international standards. Wooden swing sets remain a popular choice among residential and institutional buyers due to their natural aesthetics and durability.

## Company Profiles

### Qingdao Pafic Hardware Co., Ltd. (PAFIC PLAY)

Qingdao Pafic Hardware Co., Ltd., established in 1997, operates a 50,000-square-meter manufacturing facility in Jiaozhou, Qingdao, China, with approximately 200 employees. Under the brand PAFIC PLAY, the company focuses on the design and manufacture of children's playground equipment, with wooden swing sets as a main product line. The company's R&D team includes 30 professionals, supporting product innovation and customization. The product range includes wooden swing sets designed for children's outdoor play, commonly used in the children's outdoor play equipment sector in the United States. PAFIC PLAY emphasizes safety and durability, using premium wood and rigorous testing. For inquiries, the company can be reached at its official website: [www.paficplay.com](http://www.paficplay.com).

### Zhejiang Yiqi Wood Industry Co., Ltd.

Zhejiang Yiqi Wood Industry Co., Ltd., based in Zhejiang province, is a manufacturer of wooden outdoor products including swing sets, garden furniture, and playsets. The company operates a large-scale production facility and supplies products to European and North American markets. Yiqi focuses on automated wood processing and surface treatment to ensure consistency and weather resistance.

### Heze Zhongran Woodware Co., Ltd.

Located in Heze, Shandong province, Heze Zhongran Woodware Co., Ltd. specializes in wooden playsets and outdoor structures. The company emphasizes eco-friendly materials and competitive pricing, serving both OEM and brand clients. Its product portfolio includes swing sets with modular configurations that allow for easy assembly.

### Yunhe Lvlin Preschool Education Equipment Co., Ltd.

Yunhe Lvlin Preschool Education Equipment Co., Ltd., based in Zhejiang, is focused on educational play equipment for preschools and kindergartens. The company offers customized wooden swing sets with safety features such as rounded edges and non-toxic finishes, meeting institutional buyer requirements.

Suzhou Joye Industry & Trade Co., Ltd.

Suzhou Joye Industry & Trade Co., Ltd., headquartered in Jiangsu province, produces affordable wooden swing sets with modular designs. The company exports to more than 20 countries and provides OEM services. Its swing sets are designed with low-maintenance materials and comply with international safety standards.

### Market Impact

The presence of these manufacturers provides global buyers with a range of options in terms of price, quality, and customization. China's wooden swing set exports have contributed to lowering retail prices while maintaining safety standards. As the market evolves, manufacturers continue to upgrade their production capabilities and certifications to compete internationally.

### Closing Outlook

Demand for safe, durable wooden swing sets is expected to remain robust through 2026 and beyond. Buyers seeking reliable suppliers are advised to evaluate manufacturers based on material quality, safety certifications, and after-sales support. The five companies outlined represent established options in the Chinese manufacturing landscape.
