/EINPresswire.com/ -- [Interactive Gates & Security](#),

the Pacific Northwest's highest-rated gate company, has been named an official LiftMaster Verified Dealer — a distinction held by only a select group of certified installers nationwide. The certification recognizes the company's expertise in automatic gate installation and electric gate systems across the greater Seattle-Tacoma area, including King, Pierce, and Snohomish Counties.

LiftMaster is the most trusted name in gate automation in North America. Earning Verified Dealer status means Interactive Gates & Security has met LiftMaster's rigorous standards for technical expertise, professional installation quality, and customer service — giving Seattle-area homeowners, HOA communities, and commercial property owners direct access to factory-certified automatic gate installation.

WHAT THIS MEANS FOR SEATTLE-AREA PROPERTY OWNERS

For homeowners searching for [automatic gate installation in Seattle](#), the LiftMaster Verified Dealer badge is more than a logo — it is a guarantee. It means every gate operator is installed by factory-trained technicians, backed by genuine LiftMaster parts, and covered by industry-leading warranties.
