Kimura London & White LLP

Founding Partner and Attorney William O. London

Fluent in Mandarin and trained at both Georgetown Law and Tsinghua University School of Law, Mr. London brings a rare command of legal systems, languages, and cultures to matters that cross all three. His practice centers on international business transactions and litigation, cross-border trade, and trust, estate, and family law for global families and multinational clients. Entrepreneurs, corporations, and high-net-worth individuals entrust him with their highest-stakes matters — multi-million-dollar

transactions, complex disputes, and sensitive family circumstances spanning borders — and he meets each with clarity, precision, and culturally attuned strategy.

“As an attorney, I am deeply committed to serving my clients at the highest level, especially when the stakes are high. By maintaining a steadfast, relational approach — one that considers more than meets the eye — I'm able to effectively guide clients through intricate legal matters where culture and law intersect. Being admitted to practice before the U.S. Supreme Court is both a privilege and an honor, and one I hold in the highest regard.” – William O. London, Founding Partner, Kimura London & White LLP
