“

Businesses need a moving company that can work around their schedule, not the other way around. Our goal is for a company to be fully operational at the new location as quickly as possible.”

*Michael Reyes, Owner,
MechaMovers*

and operated moving company based in Orlando, FL, is offering comprehensive [commercial moving services](#) for businesses throughout the Orlando metro area and Central Florida. The service is designed to accommodate the specific logistics demands of office and commercial relocations, including scheduling outside of standard business hours to minimize operational downtime.

MechaMovers handles the full scope of commercial moves, including the disassembly, tracking, and reassembly of modular office furniture, workstations, and large commercial pieces. Every commercial job is staffed by MechaMovers' own trained, long-term employees. No

subcontractors are involved at any stage of the process. All crews are fully licensed, bonded, and insured.

Commercial clients can schedule moves any day of the week from 7:00 AM to 10:00 PM. MechaMovers coordinates building access requirements, freight elevator reservations, and parking logistics in advance so move day runs without delays. Modular furniture is systematically disassembled, labeled, and reassembled at the new location so the office is functional when staff return.

MechaMovers serves offices, commercial facilities, and businesses of all sizes throughout Orlando, Maitland, Winter Park, Altamonte Springs, Lake Mary, and surrounding Central Florida communities. Commercial move estimates are available by phone or through the company website.
