

Peterson Acquisitions and Founder Chad Peterson Expand National Reach as Demand Surges for Business Sale and Acquisition

Kansas City-based brokerage, led by author and "#1 rated business broker" Chad Peterson, reports more than \$1 billion in closed acquisition transactions.

SCOTSDALE, AZ, UNITED STATES, July 7, 2026 /EINPresswire.com/ -- KANSAS CITY, Mo. — July 7, 2026** — Peterson Acquisitions (petersonacquisitions.com), a national business brokerage firm headquartered in the Kansas City area, is expanding its nationwide advisory footprint to meet rising demand from business owners preparing to sell and entrepreneurs seeking to acquire established companies. The firm is led by founder and principal broker Chad Peterson (chadpeterson.com), a serial entrepreneur, author, and wealth strategist who has overseen more than one billion dollars in business acquisition transactions.

As an estimated wave of retiring Baby Boomer business owners prepares to transition ownership of privately held companies over the coming decade, Peterson Acquisitions is positioning owners and buyers to capture that opportunity through confidential business sales, valuations, exit planning, and acquisition advisory.

“

where there's no passion,
there's no profit”

Chad Peterson

"Most owners are taught to grow a bigger business, when what actually builds lasting wealth is a bigger balance

sheet," said Chad Peterson, founder of Peterson Acquisitions. "Our job is to help owners maximize the value of what they've built and exit on their terms, and to help the next generation

of buyers acquire quality businesses the right way."

****A Different Approach to Business Sales****

Founded by an entrepreneur who has built and sold multiple companies himself, Peterson Acquisitions combines real-world ownership experience with a structured, education-first process that guides clients from valuation through closing. The firm's services include:

- Confidential business sales and marketing
- Business valuations and one-click ballpark valuations
- Exit planning and deal structuring
- Buyer screening and due diligence support
- SBA financing guidance for acquisition transactions

The firm reports access to a network of more than 3,000 qualified buyers, including entrepreneurs, investors, and acquisition groups actively searching for businesses across the United States. Closed transactions span industries ranging from HVAC, roofing, and manufacturing to digital marketing and specialty drilling, with deal sizes from the low six figures into the tens of millions.
