

# BITCOIN ASIA 2026 ANNOUNCES FIRST WAVE OF SPEAKERS FOR AUGUST HONG KONG EVENT

*Balaji Srinivasan, Simon Gerovich, Hugh Hendry, and Other Voices from Global Finance, Policy and Bitcoin Infrastructure Confirmed for Asia's Largest Conference*

NASHVILLE, TN, UNITED STATES, July 7, 2026 /EINPresswire.com/ -- [Bitcoin Asia 2026](https://www.bitcoinasia2026.com/) today announced its first wave of confirmed speakers for the two-day conference taking place August 27–28 at the Hong Kong Convention and Exhibition Centre (HKCEC). The event is organized by BTC Inc., a subsidiary of Nakamoto Inc. (NASDAQ: NAKA), and presented by Metaplanet.

Headlining the event is Balaji Srinivasan, founder of Network School and author of *The Network State*, one of the most recognized voices at the intersection of Bitcoin, technology, and sovereign network theory. Srinivasan joins a speaker lineup spanning institutional capital, legislative policy, macro finance, and Bitcoin development.

"We are incredibly excited to bring together the East and West bitcoin markets, industries, and communities to build through this bear market and continue to explore the ways bitcoin is changing the world around us."

— Brandon Green, CEO at BTC Inc.

This year's programming centres on the convergence of Eastern and Western Bitcoin ecosystems at a defining moment for institutional adoption. Sessions will span macro and monetary policy, corporate treasury strategy, Bitcoin infrastructure, and the regulatory landscape across Asia.
