RIVIERA NAYARIT, MEXICO, July 7, 2026

[/EINPresswire.com/](https://EINPresswire.com/) -- Nayarit continues to strengthen its position as one of Mexico's leading luxury travel destinations, with six of its acclaimed resorts recognized in Travel + Leisure's 2026 World's Best Awards list of the Best Resorts in Mexico.

The recognized properties include Susurros del Corazón, Auberge Collection; Four Seasons Resort Punta Mita; Secrets Bahia Mita Surf & Spa; Dreams Bahia Mita Surf & Spa; Conrad Punta de Mita; and One&Only Mandarin.

The annual World's Best Awards, voted on by Travel + Leisure readers, celebrate the hotels, resorts, cities, islands, cruise lines, and travel experiences that continue to define excellence in global hospitality. For Nayarit, the inclusion of six resorts reflects the destination's growing reputation for exceptional service, elevated design, world-class wellness, culinary excellence, and meaningful connections to nature and culture.

"This marks Nayarit's largest inclusion of properties in this ranking. It is a proud moment for Nayarit and a reflection of the extraordinary quality of our hospitality industry," said Juan Enrique Suárez del Real Tostado, Minister of Tourism of Nayarit. "Each of these resorts represents the warmth, service, sophistication, and natural beauty that make our destination so special. We congratulate their teams for continuing to position Nayarit among the best in Mexico and the world."

From the exclusive enclave of Punta de Mita to the lush coastal setting of Mandarin, Nayarit offers travelers a collection of luxury experiences that appeal to a wide range of markets, including romance, wellness, family travel, destination weddings, culinary travel, and high-end leisure.

For travel advisors and tour operators in the United States and Canada, the recognition further reinforces Nayarit's value as a destination with a diverse and premium hospitality portfolio, supported by expanding air connectivity, strong destination infrastructure, and a growing collection of experiences that go beyond the beach.

With more than 200 miles of Pacific coastline, luxury resorts, surf towns, cultural communities, outdoor adventure, wellness retreats, and acclaimed gastronomy, Nayarit continues to attract travelers seeking authentic, elevated, and spacious escapes in Mexico.
