

KYG TRADE RECEIVES G.O.L.T. STAR CERTIFICATION

TRANSFORMING.LEGAL VALIDATES ANOTHER INNOVATIVE TECHNOLOGY SOLUTION

SINGAPORE, SINGAPORE, July 8, 2026
/EINPresswire.com/ -- SINGAPORE |
NEWPORT BEACH

Consulting boutique [TRANSFORMING.LEGAL](#) and its platform [GOLT.ai](#) (Global Overview Legal Technology) certify leading Tariff and Trade Compliance Tool [KYG Trade](#) as G.O.L.T. STAR.

KYG Trade has been distinguished, among other things, by its comprehensive trade compliance capabilities, intuitive user experience, and innovative application of AI to complex global tariff and trade processes.

GOLT.ai is one of the world's leading Legal AI discovery platforms and marketplaces powered by its semantic AI-search recommendation engine and curated data.

TRANSFORMING.LEGAL's interdisciplinary team of legal, compliance, legal operations, trade compliance and IT experts, Sets category-specific quality benchmarks and standards. This includes, among other things, criteria such as user-friendliness, comprehensibility, auditability, IT compatibility, and data protection. The certification supports buyers with an independent assessment framework while helping solution providers differentiate their solutions and incorporate an objective trust layer into their Go-To-Market strategy.

Todd R. Smith - CEO & Co-Founder KYG Trade adds:

CEO & Founder TRANSFORMING.LEGAL & GOLT.ai

“The rapid growth of AI solutions has made it increasingly difficult for buyers to distinguish genuine innovation from marketing claims. Independent validation programs like G.O.L.T. STAR help bring transparency and trust to the evaluation process. We're proud of our collaboration with TRANSFORMING.LEGAL and their commitment to objective product reviews that help organizations make better technology decisions with confidence.”

Further information about the G.O.L.T.® STAR program can be found at: <https://golt.ai/software-validation>

About KYG TRADE

KYG Trade combines real-world trade and tariff compliance subject matter expertise with next generation web 3.0 and powerful AI automations to constantly update features and capabilities to give you more clarity, control, and cost savings.

The Legal AI market is growing rapidly. While optionality is welcome, fierce competition makes the buyers’ decision difficult. Our G.O.L.T. STAR certification provides trust to accelerate the process.”

*Tom Pfennig, CEO and
Founder of
TRANSFORMING.LEGAL and
GOLT.ai*

KYG Trade is an AI-assisted global trade compliance platform that helps organizations automate product classification, reduce tariff costs, and stay ahead of evolving trade regulations. By centralizing classifications, origin determinations, free trade agreement qualifications, compliance documentation, and audit trails in a single platform, it streamlines workflows, enhances collaboration, and creates a single source of truth for trade compliance. Seamless integrations with ERP, PLM, GTM, TMS, and other enterprise systems enable automated data exchange, while built-in AI identifies duty-saving opportunities, monitors regulatory changes, and generates audit-ready records to reduce risk and improve operational efficiency.
