For [Samuel Shatkin Jr., MD, FACS](#), Dr. Roberson’s arrival is especially meaningful. Aesthetic Associates Centre was founded by Dr. Shatkin and his father, Samuel Shatkin Sr., DDS, MD, building on a family tradition of plastic surgery care in Western New York that spans more than six decades.

“Dr. Roberson’s return to Western New York reminds me of my own path,” said Dr. Shatkin. “I came home to join my father in practice, and that experience shaped the way I care for patients. Practicing plastic surgery here is about

patients seeking individualized aesthetic care.

“Western New York patients value honesty, trust, and natural-looking results,” Dr. Shatkin added. “They want thoughtful guidance and a surgeon who understands their goals. As someone from this community, Dr. Roberson brings that perspective with him from the very beginning.”

Aesthetic Associates Centre offers a comprehensive range of surgical and non-surgical aesthetic services, including facial rejuvenation, breast and body surgery, injectables, laser treatments, skin care, and medical spa services. Dr. Roberson’s arrival will allow the practice to expand surgical consultation availability while continuing its commitment to personalized care, patient education, and long-term relationships.

“Bringing Dr. Roberson into our practice is about the future,” said Dr. Shatkin. “My father helped establish our foundation, I have had the privilege of carrying it forward, and now Dr. Roberson will help continue that tradition for the next generation of patients in Western New York.”

“I am excited to return home and join Aesthetic Associates Centre,” said Dr. Roberson. “This is an opportunity to become part of a respected practice with a long history of patient care, education, and innovation. I look forward to helping patients feel informed, comfortable, and confident we work to reach their aesthetic goals!”

Patients may begin scheduling consultations with Dr. Roberson for breast and body procedures, facial aesthetic surgery, and comprehensive plastic surgery evaluations.
