Recognising Achievement Across the UK Automotive Industry

The achievements recognised in the 2026 Automotive Industry Awards reflect the practical strength and variety of the UK automotive sector. This year's entrants include independent garages, mobile service providers, specialist detailing businesses, parts suppliers and growing dealerships, each contributing to a sector where trust, accuracy and reliability are central to customer confidence.

Across the awards, recognised businesses have shown the value of combining technical standards with a service-led approach. From convenient mobile support and careful vehicle preparation to specialist refurbishment, commercial parts supply and independent repair work, these achievements reflect the skill, consistency and commitment required to keep customers, vehicles and businesses moving. Business Awards UK congratulates all winners and finalists for their contribution to the UK automotive industry.
