ANAHEIM, CA, UNITED STATES, July 9, 2026 /EINPresswire.com/ -- [Hilton Anaheim](https://www.hilton.com) has been recognized as the Best Conference Hotel in Anaheim, California in the [U.S. News & World Report 2026 Best Conference Hotels](#) rankings, earning top honors for its exceptional conference facilities, resort-style amenities, and overall guest experience for business travelers and conference attendees.

The recognition comes as Anaheim continues to grow as one of the nation's leading meetings and convention destinations, and as Hilton Anaheim builds on the completion of the most significant transformation in the hotel's history. Located adjacent to the Anaheim Convention Center and steps from Disneyland® Resort, the largest hotel property in Orange County recently completed a multi-million-dollar, full-property renovation that reimagined all 1,574 guest rooms and suites, refreshed its expansive meeting and event spaces, introduced new dining experiences, and enhanced amenities throughout the property to create a more seamless, elevated stay for business and leisure travelers alike.

"This recognition is especially meaningful following the full hotel renovation last year," said Konstantine Drosos, general manager of Hilton Anaheim. "Every enhancement was designed with today's traveler and meeting attendee in mind, from refreshed accommodations and elevated dining to flexible gathering spaces that support connection, productivity, and memorable experiences."

Spanning more than 170,000 square feet of flexible indoor and outdoor event space, Hilton
