“

This is our biggest year yet and we have no intentions of slowing down. If we aren't already the top dumpster company in Murfreesboro, we will be.”

*William Shackelford, Owner of
Trash Pandy LLC*

"This is our biggest year yet and we have no intentions of slowing down," said William Shackelford, founder of Trash Pandy and a U.S. Air Force veteran. "Adding the 15-yard dumpster was a direct response to what our Murfreesboro customers were asking for. It fills the gap perfectly for mid-

size projects, and it means folks are not paying for space they do not need or running out of room halfway through."

A New Size That Fills a Real Gap

The new 15-yard roll-off slots in between Trash Pandy's smaller and larger bins, making it ideal for medium home renovations, large garage or estate cleanouts, roofing jobs, and mid-size construction projects. With the addition, Trash Pandy now offers 7, 10, 15, and 20 yard roll-off dumpsters, covering everything from heavy concrete and dirt loads to full remodels.

Founded in 2024 by Shackelford after years of volunteering during local storm cleanups, Trash Pandy was built to fix the problems he kept seeing in the industry: dumpsters that never showed up, surprise charges at pickup, and companies that would not answer the phone. The business runs on military discipline and a promise customers can count on.

What Murfreesboro Customers Can Expect

Trash Pandy pairs its expanded lineup with the service that earned the company a perfect 5.0 Google rating. Customers across the Murfreesboro area can count on:

- Same-day and next-day delivery, with most deliveries within 24 hours
- Transparent pricing walked through before the bin ever leaves the lot
- Clean, scrubbed bins and careful placement that protects driveways
- No subcontractors, customers deal directly with the crew that owns the trucks
