/EINPresswire.com/ -- Dr. Shirley Ferguson, Apostle, Bible teacher, entrepreneur, and founder, announces the release of Kingdom Mind Renewal: Win the War in Your Mind, Break Strongholds, Silence Anxiety, and Live in Kingdom Peace, the newest addition to her Kingdom Living Collection. Written for believers seeking biblical answers to anxiety, emotional struggles, and spiritual instability, the book offers practical, Scripture-centered guidance for developing a renewed mind and a stronger walk with Christ.

Drawing from biblical teaching and real-world ministry application, Kingdom Mind Renewal provides a clear framework for identifying mental strongholds, replacing harmful beliefs with God’s truth, and establishing daily habits that promote spiritual growth. Each chapter includes New King James Version Scriptures, biblical examples, reflection questions, focused prayers, faith declarations, and Kingdom Action Plans designed to help readers apply biblical principles to everyday life.

The book reflects Dr. Ferguson’s long-standing commitment to equipping believers to renew their minds, understand their Kingdom identity, and walk in purpose, authority, and biblical truth. Recognizing that many faithful Christians continue to struggle with fear, condemnation, distraction, and emotional cycles, she emphasizes that lasting victory begins with the renewal of the mind and is strengthened through consistent biblical thinking and intentional dependence on God’s truth.

Beyond addressing mental and emotional challenges, Kingdom Mind Renewal highlights the
