

Equipped To Win: Blueprint For Advancing The Kingdom In Everyday Life Presents a biblical guide to kingdom living

Dr. Michael Cogley delivers a practical scriptural guide equipping believers to live with spiritual authority, build faith, and apply biblical principles daily.

NEW YORK CITY, NY, UNITED STATES, July 9, 2026 /EINPresswire.com/ -- Dr. Michael Cogley announces the release of *Equipped to Win: Blueprint for Advancing the Kingdom in Everyday Life*, a faith-based resource designed to help Christians understand and apply biblical principles for victorious living. Addressing the challenges many believers face in bridging the gap between biblical promises and daily experience, the book presents a practical framework for living with confidence, purpose, and a deeper understanding of spiritual authority through Jesus Christ.

In *Equipped to Win*, Dr. Cogley explores key biblical concepts that encourage believers to move beyond cycles of discouragement and embrace the authority available to them through their relationship with Christ. The book examines topics including the meaning of salvation, the significance of the Word of God, the Name of Jesus, and the Blood of Jesus; the influence of spoken words; covenant promises; and the practical application of faith in everyday life. Each chapter is grounded in Scripture and designed to help readers develop a stronger biblical foundation.

The inspiration behind the book comes from a desire to help Christians experience the fullness of God's promises by understanding the spiritual principles revealed in Scripture. Dr. Cogley recognizes that many believers sincerely pursue their faith yet continue to struggle with recurring challenges because they have not fully embraced the authority and identity available to them in Christ. His goal is to provide practical biblical instruction that encourages lasting spiritual growth and confident faith.
