Hollitte's technical background, commitment to his community, and dedication to doing things the right way make him an outstanding addition to the PatchMaster network.”

Paul Ferrara, President and CEO, PatchMaster

drywall installation, texture matching, and interior painting services for homeowners and businesses throughout Fort Wayne and communities across Northeast Indiana. From repairing small holes and nail pops to restoring walls and ceilings damaged by water leaks, plumbing work, remodeling projects, and everyday wear and tear, PatchMaster specializes in seamless repairs that restore surfaces to like-new condition.

Greene brings more than 30 years of experience in network engineering, design, installation, monitoring, and management of complex technology systems for

businesses. Throughout his career, he built a reputation for solving problems with precision, attention to detail, and dependable customer service; qualities he now brings to every PatchMaster project.

"I've always enjoyed solving problems and helping people," said Greene. "PatchMaster gives me the opportunity to pay the same attention to detail and apply it in a way that directly helps homeowners in my community. Every repair is an opportunity to exceed expectations and earn a customer's trust."

As a veteran and family-owned business, Greene plans to grow the company with his son while building long-term relationships throughout Northeast Indiana. He looks forward to becoming a trusted local resource for homeowners and businesses seeking reliable drywall repair and interior painting services.

Homeowners commonly contact PatchMaster after plumbing repairs, electrical work, HVAC installations, water leaks, home renovations, moving furniture, and everyday wear and tear have damaged walls or ceilings. Whether customers need [Fort Wayne drywall repair](#) or service throughout Northeast Indiana, PatchMaster focuses exclusively on repairing and restoring damaged walls and ceilings. Unlike general contractors or handymen, PatchMaster technicians specialize in one craft, consistently delivering seamless repairs that blend with existing walls and ceilings. Services include repairing holes and cracks, popcorn ceilings, and water-damaged drywall; matching texture; and repairing drywall damaged during plumbing, electrical, and remodeling projects.

"Veteran-owned businesses often bring a level of discipline, accountability, and service that customers truly appreciate," said Paul Ferrara, President and CEO of PatchMaster. "Hollitte's technical background, commitment to his community, and dedication to doing things the right way makes him an outstanding addition to the PatchMaster network. We're excited to support him as he serves homeowners and businesses throughout Northeast Indiana."
