PATCHMASTER™
THE DRYWALL REPAIR SPECIALISTS

Lopez brings a background in aircraft maintenance, where precision, attention to detail, communication, and problem-solving are essential every day. His experience diagnosing complex mechanical issues and working to exacting standards has prepared him to deliver the same level of care and craftsmanship homeowners expect when repairing damaged walls and ceilings.

After researching a variety of business opportunities, Lopez discovered PatchMaster while

searching for a business that aligned with his entrepreneurial goals. Following extensive due diligence, he chose PatchMaster for its proven business model, specialized service offering, and opportunity to build a business focused on quality workmanship and long-term customer relationships.

"My goal is to build a business that customers can depend on," said Lopez. "Every repair is an opportunity to earn someone's trust. I take pride in solving problems, paying attention to the details, and making sure every customer has a great experience from start to finish."

Homeowners commonly contact PatchMaster after plumbing repairs, electrical work, HVAC installations, water leaks, home renovations, moving furniture, and everyday wear and tear have damaged walls or ceilings. Whether homeowners need [West Bergen drywall repair](#) or drywall repair throughout Passaic County, PatchMaster focuses exclusively on repairing and restoring damaged walls and ceilings. Unlike general contractors or handymen, PatchMaster technicians specialize in one craft, consistently delivering seamless repairs that blend naturally with existing walls and ceilings. Services include repairing holes, cracks, popcorn ceilings, water-damaged drywall, texture matching, and drywall damaged during plumbing, electrical, and remodeling projects.

"Eric's technical background, initiative, and commitment to doing quality work make him an excellent addition to the PatchMaster network," said Paul Ferrara, President and CEO of PatchMaster. "His attention to detail and determination to build a business centered on customer satisfaction reflect exactly what homeowners can expect from every PatchMaster location."

As an owner-operator, Lopez is directly involved in every project, ensuring quality workmanship and responsive customer service from the initial estimate through project completion. He is focused on growing a trusted local business while continuing to learn, improve, and build long-term relationships throughout West Bergen and Passaic County.
