

Amazon Best-Selling Science Fiction Author Eric Valdespino Launches Reader Ambassador Program

Following the success of Raising Edwin, Eric Valdespino invites readers to join a growing community around thoughtful storytelling and meaningful conversation.

LAS VEGAS, NV, NV, UNITED STATES, July 17, 2026 /EINPresswire.com/ -- Author Eric Valdespino has announced the launch of the [Eric Valdespino Ambassador Program](#), a new online community created for readers who enjoy imaginative fiction, compelling characters, and stories that continue long after the final page.

The launch follows the success of Valdespino's science fiction novel *Raising Edwin*, which achieved notable recognition on Amazon's Kindle Best Seller lists, reaching:

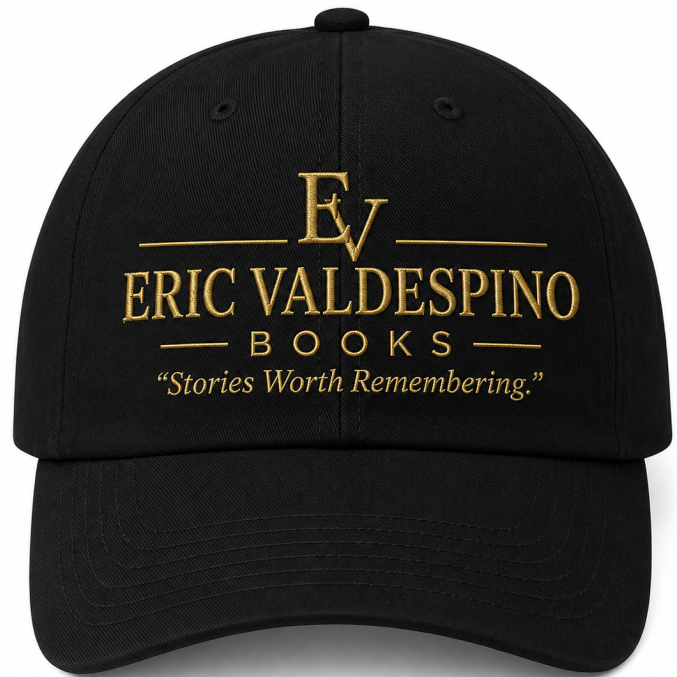

#4 Best Seller in Space Exploration
Science Fiction

#7 Best Seller in Exploration Science
Fiction

#19 Best Seller in Dystopian Science Fiction

These rankings established *Raising Edwin* as one of the most recognized independently published science fiction novels in its categories and introduced thousands of readers to Eric Valdespino's unique storytelling style.

Today, Valdespino has expanded his collection to include science fiction, speculative fiction, mystery, suspense, and thought-provoking novels that explore consciousness, humanity, and the
