

Florida Law Advisers, P.A. Named Best Divorce Firm of 2026 by Expert Law Attorneys

TAMPA, FL, UNITED STATES, July 9, 2026 /EINPresswire.com/ -- Expert Law Attorneys has selected [Florida Law Advisers, P.A. as the Best Divorce Firm of 2026](#) through the [ELA Awards](#) program. The award recognizes the firm's long-standing record of successful outcomes, strong client and peer reviews, and commitment to ethical, client-centered legal practice across the state of Florida.

The ELA Awards honor top legal professionals across the United States in ten practice areas, including criminal defense, personal injury, corporate law, immigration, employment law, estate planning, civil rights, intellectual property, environmental law, and family law. The program uses a multi-stage selection process designed to identify firms and attorneys whose work reflects the highest standards in their field.

The process begins with nominations from peers, clients, and legal professionals from all 50 states. An independent panel of retired judges, legal scholars, and experienced attorneys then evaluates each nominee across several criteria, including case outcomes, client satisfaction, peer recognition, ethical standards, and contributions to the legal community. Nominees are scored, and only those with the highest marks in their category advance to a finalist round before winners are selected.

Eligibility requires a minimum of ten years of practice experience, a demonstrated record of successful case outcomes, a strong professional reputation backed by peer and client reviews, verified ethical standards, and active involvement in the legal community through pro bono work, mentoring, or legal education.

Florida Law Advisers, P.A. met all of these criteria and earned the top score in the family law category. The firm has served clients across Florida for more than a decade, with offices in

[Tampa](#) and Orlando and a practice that reaches communities throughout the state. Their attorneys handle the full spectrum of divorce and family law matters, including contested and uncontested divorce, child custody and time-sharing, child support, alimony, property division, prenuptial and postnuptial agreements, domestic violence injunctions, paternity, and military divorce.

Divorce and family law cases carry a particular weight because they directly affect the most personal areas of a client's life, from financial stability and parental rights to long-term well-being. Florida Law Advisers, P.A. has built its practice around that understanding, combining experienced legal advocacy with compassionate, individualized attention to each client's circumstances. The firm's team includes skilled negotiators and trial-tested litigators who develop tailored strategies based on each client's goals, whether that means reaching an efficient settlement or preparing for complex courtroom litigation.

The firm's involvement in the broader legal community also contributed to its selection. Their commitment to accessible representation, client education, and professional development reflects the values the ELA Awards program was created to recognize.

For Florida residents navigating a divorce or family law matter, the ELA Award serves as an independent, peer-reviewed indicator that the firm's work has been evaluated by experienced legal professionals and found to meet the highest standards in the country.
