

PatchMaster Expands Across the East Twin Cities with New Locally Owned Franchise

Former manufacturing operations leader Todd Collier brings drywall repair and interior painting services to homeowners & businesses throughout East Twin Cities

ST. PAUL, MN, UNITED STATES, August 3, 2026 /EINPresswire.com/ --

PatchMaster®, the nation's leading [drywall repair](#) and interior [painting](#) franchise, announced today the opening of PatchMaster St. Paul, owned and operated by Todd Collier. The locally owned business provides drywall repair, plaster repair, ceiling repair, drywall installation, texture matching, and interior painting services for homeowners and businesses throughout the East Twin Cities. From repairing small holes and nail pops to restoring walls and ceilings damaged by water leaks, plumbing work, remodeling projects, and everyday wear and tear, PatchMaster specializes in seamless repairs that restore surfaces to like-new condition.

Todd Collier, Franchise Owner, PatchMaster St. Paul

Collier brings years of leadership experience in manufacturing operations, supply chain management, and logistics, having led teams of more than 20 employees and overseen budgeting, operational performance, and continuous process improvement. His background in managing quality, efficiency, and customer expectations provides a strong foundation for building a trusted local home services business.

After years in corporate leadership, Todd Collier decided it was time to pursue business ownership and build something of his own. Introduced to PatchMaster through a franchise consultant, he was drawn to the company's specialized service model, proven systems, and the opportunity to provide a skilled trade service that homeowners will continue to rely on for years

to come.

"I wanted to build a business where quality, customer service, and operational excellence truly make a difference," said Collier. "PatchMaster gives me the opportunity to combine everything I've learned throughout my

career with the satisfaction of helping homeowners restore their homes. Every repair is a chance to exceed expectations and earn a customer's trust."

installations, water leaks, home renovations, moving furniture, and everyday wear and tear have damaged walls or ceilings. Whether homeowners need [St. Paul drywall repair](#) or drywall repair throughout the East Twin Cities, PatchMaster focuses exclusively on repairing and restoring damaged walls and ceilings. Unlike general contractors or handymen, PatchMaster technicians specialize in one craft, consistently delivering seamless repairs that blend naturally with existing walls and ceilings.

Services include repairing holes, cracks, popcorn ceilings,

water-damaged drywall, texture matching, and drywall damaged during plumbing, electrical, and remodeling projects.

"Todd's background in operations, leadership, and continuous improvement reflects the qualities we value throughout the PatchMaster system," said Paul Ferrara, President and CEO of PatchMaster. "His commitment to quality, customer satisfaction, and building a business rooted in trust will make him a tremendous resource for homeowners and businesses throughout the East Twin Cities."

As an owner-operator, Todd Collier is directly involved in the day-to-day operations of the business and plans to build a team of skilled technicians dedicated to delivering exceptional workmanship and customer service. Outside of work, he enjoys spending time with his daughters, golfing, basketball, hiking, traveling, and relaxing with family at the cabin.
