Now in its latest edition, MYFestNY is the flagship annual celebration of Malaysian culture, cuisine, heritage, and community on the East Coast, held this year in conjunction with Visit Malaysia Year 2026 (VMY2026) and the 250th anniversary of the United States of America (America250). Organizers expect more than 5,000 visitors for a full day of performances, food, and activities.

Among this year's Main Stage highlights is a performance by dancer Jessica Ho, who will present an Indian Fusion piece featuring classical Bharatanatyam, in addition to the Bollywood favorite "Bole Chudiyan." The performance reflects the rich multicultural fabric of Malaysia, whose Malaysian Indian community has long contributed to the country's dance and performing arts traditions alongside its Malay and Chinese heritage.
