The track follows their earlier 2026 release, the R&B ballad "[Make It Last](#)," and marks the second single leading up to their forthcoming album. "About U Vibe" is written by all three members of the group and produced by Grammy Award-winning producer Lamar "LAX" Alexander, alongside Mi-Tyme's own Kenneth "Musicman" Sparks.

Mi-Tyme is a Chicago/Los Angeles based contemporary R&B trio composed of Leon Cunningham "L", Gregory Brown "G" and Kenneth Sparks "K-Sparks". Drawing influence from legendary acts such as Babyface, New Edition, 112, Jagged Edge, H-Town, Dru Hill, and Jodeci, Mi-Tyme is rooted in rich harmonies, emotional honesty, and timeless songwriting.

Greg "G" Brown began singing in church as a child in Chicago, where gospel, R&B, and blues laid the foundation for his musical journey. Influenced by artists such as The Isley Brothers, Public Announcement, Brian McKnight, and D'Angelo, Greg has cultivated a signature style that blends heartfelt songwriting with the smooth sophistication of contemporary R&B.

Leon "L" Cunningham discovered his passion for music at an early age in Chicago, where he was inspired by his family's involvement in an R&B group. Surrounded by music throughout his childhood, he developed his talents as a vocalist, songwriter, and performer. Drawing influence from legendary artists including Prince, Michael Jackson, James Brown, Stevie Wonder, Bobby Brown, and Jackie Wilson, Leon brings a commanding stage presence and a sound rooted in the timeless traditions of R&B and soul.

Kenneth "K" Sparks began his musical journey in the suburbs of Cleveland, Ohio, where he first mastered the saxophone before expanding into songwriting, production, and vocals. A music minor from The Ohio State University, Kenneth combines influences from R&B, gospel, jazz, and classical music to create a distinctive musical perspective. His artistry has been shaped by acclaimed artists and producers including Babyface, Teddy Riley, Keith Sweat, and Jimmy Jam & Terry Lewis.

Kenneth connected with Leon and Greg in 2007 during the MySpace era, where their shared love of R&B quickly evolved into a lasting brotherhood. The trio spent several years performing throughout the Greater Chicago area, refining their sound and developing the signature chemistry that defines Mi-Tyme. Inspired by legendary acts including Babyface, New Edition, 112, Jagged Edge, H-Town, Dru Hill, Public Announcement, and Jodeci, Mi-Tyme blends rich harmonies, heartfelt storytelling, and timeless R&B influences into a sound that honors the genre while remaining authentic to their own artistic identity.

Following a decade-long hiatus, the group is making its return, ready to reconnect with longtime supporters and introduce a new generation of listeners to their music. Combining smooth melodies with contemporary production, the group creates music that delves into love, vulnerability, and real-life relationships with honesty and depth. Mi-Tyme blends the essence of classic R&B with a modern edge. Driven by strong chemistry and genuine emotion, L, G, and K craft music that resonates and endures over time.

Stay tuned for Mi-Tyme's upcoming performances and releases!
